**Protest of Greek athlete Athanasopoulou Areti**

**Item: 3**

In contest number 43 for Women's -57kg the Greek athlete Athanasopoulou Areti protested about superiority decision against the Thailand athlete Sukkhongdumnoen Nootcharin. She protested that on first round she had superiority by points and also in the second round she had the superiority by points and the referee did not give a point for falling down of Thailand athlete. At the third round superiority should be for the Greek athlete because she succeeded to get some hits, but the referees did not count. She was more aggressive.

The decision of arbitration board is that the Thailand athlete, according to the rules of WTF, was more aggressive and got all the loosen points in the third round. Also in the second round the thailand athlete got points with more difficult techniques. The referee decision was correct. Protest was not approved.
